

October 23, 2020

To our customers,

Effective Monday, December 7, 2021, USG will increase prices on the following products:

- All Commercial and Retail Suspension Systems in the US will increase by between 7% to 10% (including drywall suspension systems)
- All USG Specialty Ceilings Panels will increase in the US by between 5% to 7% (includes USG & USG Ceilings Plus)

Grid shipments will be managed as necessary to ensure equitable distribution. Your USG representative will contact you to discuss pricing in your market. As always, we appreciate your business and look forward to our continued partnership.

Sincerely,

A handwritten signature in black ink that reads "Matt Ackley". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
