

April 7, 2010

Dear Customer:

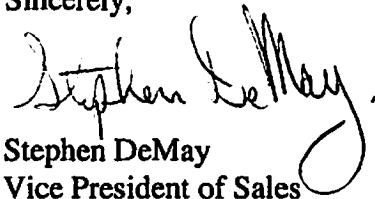

Effective with orders shipped on and after **Monday, May 10th, 2010** the price of Lafarge North America's Gypsum Wallboard Products will increase by the following amount for all domestic and export shipments:

20% per MSF on our entire wallboard offering inclusive of Weather Defense High Performance Fiberglass Sheathing, all Shaftwall liner panels, HIR-300 Impact Resistant and AR-100 High Abuse wallboard etc.

As well, in conjunction with this increase we will be implementing a period of **Controlled Distribution**. Our goal is to ensure an equitable allocation of product based on historic purchases. If you have questions regarding pricing for your specific area or your truck allocation, please contact your local sales representative. Lastly, future price increases are likely as business conditions improve so please plan accordingly.

Thank you for your business and continued support!

Sincerely,

Stephen DeMay
Vice President of Sales
